

Glamor Girl iv wrist cover

- 1 skein Patons Brilliant (a glittery yarn) (you can make three covers per skein)
 - Yarn is used doubled throughout
 - Colorway Sparkling Rose used in photos
 - Size 9 knitting needles
 - Tapestry needle
- Finished wrist cover is about 3in x 5.25in

Cast on 24 stitches with yarn doubled. Leave 5" tail for stitching cover together.

Rows 1-3: ribbing K2, P2 across entire row.

Row 4: P2, K2 across entire row.

Rows 5-6: (begin Seed stitch or moss stitch) K2, P2 across entire row.

Rows 7-8: (continue seed stitch or moss stitch) P2, K2 across entire row.

Rows 9-28: Repeat rows 5-8 five more times

(If you would like a longer wrist cover, add more repeats of rows 5-8 before finishing the last 3 rows of ribbing.)

Rows 29-31: ribbing K2, P2 across entire row.

Bind off with knit stitch, leaving a 5" tail for stitching into a tube.

Finishing:

Fold your work in half, keeping ribbing at the top and bottom. Use the yarn tail to mattress stitch the sides together, forming a tube. Stitch about 2/3 of the way up, secure yarn, then hide yarn end.

Then use the other yarn tail to stitch the rest of the side together, leaving a hole for Glamor Girl to put her thumb through comfortably. Secure yarn. Hide yarn end in work.
